# Saint Katherine's Story

St. Katherine was born into a rich, noble family in Alexandria, Egypt. Many men in the empire wanted to marry her, but she was looking for someone greater than any of them. Her mother sent her to talk to a holy man, who told her that Jesus Christ is the wisest, holiest, and kindest man. St. Katherine realized she wanted to spend her life worshipping God. After she was baptized, she converted many people to Christianity, including the Empress. Pagans at that time were killing Christians, and St. Katherine (when she was in her late teenage years) was one of the people who died for Christ. **We pray to St. Katherine to give us wisdom when we study in school.**
